

THE HAMLIN HERALD

IN 36th YEAR — EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS FRIDAY, APRIL 18, 1941

NUMBER 25

Repeated Rains Deluge The Whole Countryside

Rains, from the far west to the pines of Arkansas, big rains have come and repeated down-pours since early Saturday night. Rain first fell in the immediate territory of Hamlin last Sunday morning.

Sunday night another big rain fell and so again Monday night from past twelve o'clock till up in the morning.

Monday Hamlin streets looked like rivers, and one avenue for three blocks, hardly any dirt could be seen.

The Herald man made a trip from Hamlin to Anson, to Stamford and back to Hamlin through Tuxedo. We have never seen as much water in the fields in any country before. We saw ample evidence of the value of contouring rows, and we also had a chance to evaluate between terraces and the general contour system. We are convinced that contouring is most effective and helpful to the soil.

Tuxedo is perhaps the highest point in the county, at least it looks that way generally. The fields from Stamford to Hamlin were still full of water even till Wednesday. Late Monday there were hundreds of acres east of Dovie that looked like great lakes . . . not a speck of dirt to be seen. Yet the rains were not considered flood-like. The ground was already saturated and the last fall just "piled up."

Hamlin lakes are all full and running over, except the big new lake. It still lacks a few inches of being up to the first three "Concrete Relief Vents." So far no rise has even reached the "slosh-over" point. There are 35 square miles of drainage for the new lake, and by now it is considered very unlikely that enough rain can ever come to make the lake rise high enough to make the water take the emergency overflow. To do that there must be more than can escape through the three 49 square feet, first outlet, and then rise five or six feet higher. The run-around outlet has a capacity of about five feet 300 feet wide. It just can go that high, or up to it.

The more than usual rain this spring is fine on small grain but it is delaying row planting. Wheat and oats are fine, super fine at this point.

Plate Glass Broken In Attempted Burglary

Last Friday night about 12, midnight, a crash of glass was heard on 8th Street, near the Post Office. Investigation revealed that the plate glass in the Brians Insurance Agency (J. C. Turner, Owner) and offices of the Chamber of Commerce had been crashed in right by the side of the safe. It was also found that the rear of the building had been molested in an effort to enter. Reports are that a person or persons were seen running from the place.

Card of Thanks

We wish to thank all our friends and neighbors who were so kind and thoughtful during the loss of our daughter and sister. We are deeply grateful for the many flowers and other expressions of sympathy. May God richly bless each of you.

Mr. and MRS. C. E. BRYSON
AND CHILDREN

Some Turnip, Raised

By J. H. Allen, Neinda

Lois Allen, son of Mr. and Mrs. J. H. Allen near Neinda, became excited last week when he saw a big "Purple-Top" bulging out of the ground. He went to digging and pulling and up came "Some Turn-up." It was on display Saturday at Terrell's Food Store. The measurements were 7x9x12—a little flat on one side but dipped into the ground 12 inches.

Mrs. Gordon Bennett and little daughter, Patricia, visited relatives in Fort Worth this week.

Young People's Rally For Abilene District Meets Here Sunday

The Methodist young people of the Abilene district will be the guests of the local Methodist young people here Friday night and Saturday. Around 200 young people from the 29 charges of the Abilene district are expected to be in attendance. Homes and breakfast will be furnished for those who remain for the night. The Wesleyan Service Guild will furnish the evening meal Friday, and the Woman's Society of Christian Service will provide the Saturday noon meal.

Miss Jewell Posey of McMurtry College, District Director, will preside over the meeting and has arranged the program. Miss Joyce Hudson is president of the Young People in our local church and Mrs. C. E. Ball is sponsor. They urge the people of Hamlin to co-operate in every way possible to entertain the young people of this district meeting.

SPRING ROUND-UP

First Methodist Church
Hamlin, Texas
April 18-19, 1941

Friday Evening

5:30—Registration, assignment to homes.

6:30—Recreation.

7:30—Supper.

8:30—Business session.

9:00—Worship, Mrs. C. A. Bickley, speaker.

Saturday Morning

9:00—Devotional.

9:30—Forum on Evangelism
"The Meaning of Evangelism,"

Marvin Boyd.

"Techniques of Evangelism" —
R. L. Butler.

Open Discussion.

11:00—Worship, led by Alsie Carlton.

12:00—Lunch.

Registration fee 25c.

Wear bright shirts, boots, handkerchiefs, big hats, etc., if you wish. We're going to have a good time socially and spiritually. Don't miss it.

Abilene District Has Laymen's Meeting

Around 300 men from the Methodist Churches of the Abilene district met in St. Paul's Methodist church, Abilene, last Monday night in a District Laymen's meeting. Dean R. G. Boger of McMurtry College, district lay leader, presided over the meeting. Judge M. A. Childers of San Antonio, an outstanding layman of Methodism, delivered the principal address on the subject: "The Responsibility Resting upon the Laymen of the Methodist Church." Special music was furnished by Fred Keathley of Abilene. Lunch was served by the Methodist churches of Abilene in the church basement.

Rev. J. E. Harrell and 15 laymen attended from the Methodist church here. Those who attended reported a very informational and inspirational meeting. This district meeting took the place of the regular monthly laymen's meeting of this zone.

William Sedberry and family have moved to a ranch near Las Vegas, New Mexico. He is going to get the Herald every week now, especially to see if it rans around good old Hamlin . . . Well, William, you should have been here Monday morning—what a rain! And we don't mean maybe.

Mrs. W. B. Mayo and Mrs. J. S. Connell of Morton, Texas, went to Brownwood, where they visited Mrs. Mayo's daughter, Mrs. Ed Fairay, and Mrs. Connell's soldier boy, Vernon Connell in the Army.

Cynical Sam says: "Everything I want to do is illegal, immoral, or fattening."

Grand Jury to Meet Monday, April 21st

Following is a list of Grand Jurors for April, 1941, term District Court, Jones County:

R. B. Bryant, Stamford.
A. L. Stell, Anson.
Joe L. Culbertson, Hamlin.
Morris Pittard, Anson.
A. C. Cooper, Stamford.
K. K. Frances, Stamford.
R. H. McCurdy, Hamlin.
Jno. R. Brown, Hamlin.
W. C. Church, Merkel.
T. R. Putnam, Lueders.
Joe Simpson, Hamlin.
W. A. Crumpler, Anson.
Louie Herring, Merkel.
R. Y. Barrow, Hamlin.
W. B. Taymon, Stamford.
W. C. Carlton, Tuxedo.

NOTE:—The April term of the 104th District Court of Jones Co., Texas, will convene the 21st day of April, 1941, and remain in session for six weeks. A jury will report for the second, third, fourth and fifth weeks of said term. The Grand Jury will convene the 21st day of April, 1941, and the appearance docket will be called by the court at 10:00 o'clock A. M., April 22, 1941.

Officers Looking For More Young Aviators

Col. J. A. Moss, in charge of the Dallas Inductance Station, U. S. Army and Sgt. Herman Parham in charge of the Abilene recruiting office were in Hamlin for a short while, last Thursday in the interest of recruiting service.

Col. Moss and Sgt. Parham explained that at the present time young men between the ages of twenty and twenty-seven are offered an exceptional opportunity for a career in the Air Corps of the United States Army, and Sgt. Parham urged young men of this section to write or call at the Abilene recruiting office for full particulars concerning enlistment in the aviation branch of the service. Parham comes to Hamlin each Friday morning.

Several booklets and folders describing the career offered in the Air Service, together with application blanks for appointment as a flying cadet were left at the Herald office and will be given to any interested young man desiring further information.

Col. Moss is quite at home in West Texas. He has a sister, Mrs. Mary A. Martin near Aspermont, and while looking for young aviators in this section, he called by to see his sister. He is a native of Parker Co.

Mr. and Mrs. S. D. McMahon went to Dallas Sunday to place Mr. McMahon in a hospital for an operation on his throat. This was performed Wednesday when he was on the table for two hours. Recently he has been bothered by his throat and his host of friends in Hamlin hope he will be at home soon, improved.

Is Asking Aid for British Children

R. L. THOMAS

The school children of Texas are asked to aid the school children of England, who are suffering sorely as the result of German bombing, by R. L. Thomas, Dallas banker and former school teacher. Mr. Thomas has been named chairman of the Young America Wants to Help Campaign by National Chairman Mrs. Kermit Roosevelt. Young America Wants to Help is a division of the British War Relief Society. Mr. Thomas is urging the school superintendents and teachers of Texas to take up collections of pennies, nickels, dimes or quarters from their pupils to be used in aiding homeless and suffering English youngsters who are undergoing the ordeal of intensive bombing. State Superintendent L. A. Woods is Chairman of the Executive Committee under Mr. Thomas and leading educators of the state are members. Money collected in the schools should be sent to Eugene McElvaney, treasurer, vice president of the First National Bank in Dallas.

Coy Magee, who had been spending a few days here with his parents, Dr. and Mrs. L. S. Magee, left Sunday for Washington, D. C., where he will be employed in the War Department. He was accompanied as far as Fort Worth by his parents and his sisters, Miss Katherine Magee and Mrs. Carlton Parker and husband.

Mr. and Mrs. Joe White of Fort Worth and Mr. and Mrs. T. C. Gabriel of Brownwood, and Mr. and Mrs. Tom B. Williams of Denver City, Texas, came to spend Easter at home with their parents, Mr. and Mrs. O. L. Cohorn, east of Hamlin.

Misses Ruth Ann Clapp and Elizabeth Summers, seniors from S. M. U., came to Hamlin to join their former school friend, Miss Mary Beth Moody in an Easter visit with Mr. and Mrs. J. E. Moody. Miss Clapp is from Des Moines, and Miss Summers is from Dallas.

Mr. and Mrs. O. H. Alexander of McCamey came up Friday to spend a week with their daughter, Mrs. Clyde Myers and family.

Miss Tootsie Wylie of Cedar Hill Dallas, was a guest of Miss Edwina Gilbert during the Easter vacation.

First Baptist Revival Is Now In Progress

Services are being well attended in the revival which started at the Baptist church last Sunday. On Wednesday night the evangelist gave the first invitation and there were three responses to the invitation. We feel that a great revival is in the making, and we urge every person interested in the spiritual welfare of this community to assist in every way possible to make this revival just what it should be. The morning service begins at 10:00 A. M. The evening service begins at 8:00.

All who have heard Rev. Philip McGahey are much impressed with his plain, straightforward gospel messages. He presents the truth in language everyone can understand. Mr. Smith is leading the choir in a fine way, and is bringing some wonderful messages in song.

We would like to break all records in Sunday school this coming Sunday. Last year at this same time we had 356 in Sunday school. Many have said this was the highest attendance in this Sunday school for several years at least. We would like to have 360 this coming Sunday.

H. E. EAST, Pastor

Model Airplane and Football Game For Saturday, April 19th

The creative, musical, and athletic talent of the boys and girls of Hamlin is being brought together in an open air show to be held at Piper Field Saturday afternoon, at 1:30.

A unique and colorful children's parade will form at the High school building and march down main St. on its way to the football field. This will be the initial feature of the show which will consist of trained animal acts, a talent contest, tumbling performances, a football game, and a model air plane flying contest.

Any child appearing in the parade with a pet, or riding a decorated bicycle, will be admitted free. There will be a general admission of 10 cents to all others.

Mr. and Mrs. Glen Caffey, Mrs. A. A. Hackley, Mrs. L. H. McBride and Miss Edwina Gilbert attended

a musical program in Stamford on Tuesday evening, when Herbert Preston, violinist and Thurman Morrison, pianist, of Hardin-Simmons University music department, were presented in concert by Stamford music clubs.

Mr. and Mrs. Curtis Belding of Salem, Ill., came down last week to visit Mrs. Belding's parents near Lueders and to visit Mrs. Florence Morgan and other friends.

Mrs. J. W. Roberts and Mrs. Clayton Roberts and little son Don, went to Houston last week and returned Sunday. Mrs. Wayne Roberts accompanied them as far as Waco.

J. C. Hodnett, son of Mr. and Mrs. H. C. Hodnett, near Neinda, was taken to the Abilene Hospital on Wednesday of last week for an operation for appendicitis.

Mr. and Mrs. Clarence Lyon and son Frank of Commerce, Texas, and little neighbor boy, Lambeth Yow, came for an Easter visit with Mr. and Mrs. D. M. Harris.

Mr. and Mrs. Bowen Pope spent Sunday in Midland visiting their daughter, Mrs. Richard Hinkle and husband and the grandson, Harry Bowen. They were accompanied by Mr. and Mrs. George Kinney of Stamford.

A. L. Moss and wife and daughter, Joann of Lamesa, came down for a visit with their mother, Mrs. G. Moss near McCauley during the past week end. They were accompanied by Mrs. Arnold Galloway, who came to visit their parents.

Clyde Myers, who had spent two weeks in the Abilene Hospital from bronchial pneumonia and typhus fever, is now at home and will soon be able to work.

The poet asked, "What is so rare as a day in June?" To which a small boy replied, "A Chinaman with whiskers."

"Comforting" Program Says Agent Miss Martin

Seven hundred fifty comforters will be made in Jones County in the comforter program. The Land Use Planning committee will make plans for this program April the 24th, and later a training school for supervisors will be held in Anson.

On account of army purchases in connection with the defense program, submission of further orders for percale and comfort cotton have been discontinued. C. D. Walker, acting director for the southern division of the Agricultural Adjustment Administration, has notified B. F. Vance, administrative officer of the AAA for Texas, that the discontinuance would affect applications for comfort material in excess of that amount covered by orders on hand at Washington.

The comfort program, supplementing the cotton mattress program was begun in February. Walker explained that army purchases made it impossible for the Surplus Marketing Administration to obtain additional percale in quantities sufficient to carry on the program.

Percale ordered for the Texas comfort program prior to the discontinuance order, totaled 2,903,030 yards. Allotting ten yards to each unit, this would provide for 290,303 comforts.

Mrs. Goaly Beavers Says "Thank You"

I am delighted to thank each and every one of my friends for their support in helping me get the votes at the Malouf Department Store, to win the nice bedroom suite offered in their recent sale. Really, we are delighted and we want to express our sincere appreciation to everyone who cast a vote in the contest.

Sincerely,
Mrs. Lorena Beavers (P)

CHURCH OF CHRIST

Someone has listed as six deadly sins of our time the following:

Politics without principle.

Wealth without work.

Pleasure without conscience.

Knowledge without character.

Business without morality.

Worship without sacrifice.

Are we living a Christian life every day? If not, what are we going to say about these passages?

Phil. 1:27 Only let your conversation be as it becometh the gospel of Christ.

1 Cor. 15:33 Be not deceived: evil communications corrupt good manners.

Jas. 1:26 If any man among you seem to be religious, and brideth not his tongue, but deceiveth his own heart, this man's religion is vain.

Yes, we need to worship God every Sunday, but let's not forget that we must also think, speak and act as Christians should every day of the week.

Minister, Luther G. Savage

Mr. and Mrs. Clifford Yates have moved to the Alexander Ranch on the River north of Hamlin. They will call Hamlin their headquarters for trade and church attendance. This young couple will find a congenial people in this community.

A DAUGHTER

Mr. and Mrs. Henry Shipp, who operate a combination station and grocery business in South Hamlin, are very proud of their first child, a pretty little six and half pound daughter, Miss Regima Monette. She was born Friday, April 11, at the Stamford hospital.

SPRING FEVER

By Clara Spratlen

Every year when the trees burst forth in buds, the flowers blossom out with a riot of colors, and nature gives each plant a new spring wardrobe, a shadow of a creeping, common disease hovers over Hamlin High school. It is not a real disease, but nevertheless, an epidemic which each individual teacher hates, even tho it is rumored that a teacher can catch it too. This menace to education is called "Spring Fever."

The symptoms of this disease are well known. The student apparently loses interest in everything except his own special problems. He comes dragging into the study halls with that far away look in his eyes, flops down in his seat, and sits there the entire period gazing out the window at the fleecy, white clouds, or idly watching students trot back and forth from the library. The victim is fully aware of the fact that he may have an exam next period but does not care enough to study.

When he goes into the classroom, he sits thinking about everything except his classwork; and when the teacher asks him a question, he comes down to earth suddenly and wonders where he has been. He barely passes his tests, but little does he care. In fact, spring fever makes some find life very boring.

Spring fever is a disease to be avoided. The victim usually recovers but sometimes with serious results. He often gets so very far behind with his class work that he never catches up; therefore he puts himself in a rut which is so deep that he finds it difficult to crawl out. Past experiences of the writer reveal that spring fever is more easily avoided than cured.

BAND ASS'N. MEETING

On April 7, the Hamlin Hi school Band Association met at the High school auditorium.

The important discussion was on the outcome of the Membership Drive. The result of the Drive was the enrollment of twenty-three new members. The way this movement worked was as follows: two sides were chosen to see which side could sell the most Membership tickets. The captains of the sides were Mrs. Q. Martin and Mrs. John Vaughan. Mrs. Q. Martin's side lost and will entertain the other side with a party at the next meeting on May 5.

Other important topics discussed at the meeting were formulating plans for a series of "Summer Starlight Park Concerts," the present situation of uniforming the entire band.

The band, as it is, has sixty-three members and only forty-one uniformed. This movement, if carried out, will be the result of much time and work, and the appointment of a financial committee by President Ira Clements. Persons on the committee are Mr. Clyde Smith, Mr. Bill Rountree, and Mr. Carl Barton. This committee has already started their meetings and plans are taking shape very rapidly.

The program for the meeting was solos by John Henry Vaughan, Milton Fletcher, Guy Loyd Elkins, Phala Davis, and a drum ensemble consisting of Billy Dean Dunlap, Billy Faye Rountree, Phala Davis, and Betty Lou York. Accompanist for the solos were Lanelle Carleton, Hortense, Phenix, and Herbie Faye Johnston.

CHORAL CLUB PRESENTS EASTER CANTATA

For a number of years the Easter

Cantata has been presented by the Schubert Music Club; but last Sunday evening in the High school auditorium the High School Choral Club directed by Mr. Clyde Smith, beautifully and effectively told the story of Easter in song.

The fifty-two voices produced a very well-balanced and inspiring program. Several solos, duets and quartets were sung by the following: Ojeda White, Virgil Sowell, Charlotte Dillingham, Harold Fletcher, Dorothy Fern Routh, Milton Fletcher, Billie Faye Rountree, Herbie Faye Johnston, Charlene Durham, and Billie Johnson. The piano accompaniment was played by La Nelle Carlton, assisted by Koleta Adkins.

The stage arrangement represented a choir loft beautifully decorated with bridal wreath and lilies. The last number was very impressive with the halo of the cross and the choral angelic effects.

EXES VISIT HAMLIN HIGH

The corridors of Hamlin High school echoed with familiar gayety as the ex-grads came home for Easter. It seemed like old times to see so many clustered around in a group talking about what good times they had in dear old H. H. S. Five different colleges were well represented. From John Tarleton came Marian Martin, Bobbie Everett, and Teddy (Alcatraz) Russell. Practically a whole school came from N. T. S. T. C. Those who were home are Hershel Prindle, Stanley Wilson, Hazel Adkins, Maxine Brundage, Charles Brown, and James Nicholson. "Rusty" Smith, All-Texas Conference basketball forward, and Lester Brooks were down from Howard Payne. Incidentally, "Rusty" is Coach Smith's "little" brother. Bill

lie Jones represented McMurry. From the Brownwood way came C. J. Adkins, who is teaching in the Brownwood Jr. High School. Hamlin High was overjoyed to see so many fine students in their old familiar portals.

STUDENTS DON NEW UNIFORMS

Hamlin High's campus is quite colorful since the football boys, band, and vocational agriculture boys received their new coveralls. The dull brown and green of the football boys the green and white of the band, and the blue and gold of the V. A. boys make a beautiful variety of colors over the campus.

Thirteen football boys, eight band students, and eighteen agriculture boys bought these colorful uniforms about three weeks ago. The coveralls are attractive as well as practical.

BAND STUDENTS USE

RECORDING MACHINE

The Hamlin High School Band, the past week, has been having a lot of fun and making progress at the same time. They have been using a recording machine to record all of their selections they will play at the contest in Abilene. This machine has been proved one of the most successful ways to improve a student's playing and singing ability. It helps the student to see and realize the mistakes he makes. The band students have had their solos and ensembles recorded and have bought the records for their own use and as souvenirs.

Mr. L. H. McBride, of Hamlin, owns the machine. The Band and director appreciate very much what he has done for them.

SENIOR PLAY A SUCCESS

Yes, "Swing Fever" really made a hit. Young and old alike found that they had to laugh at that charming, scheming family of the dignified Dean Norris of Stafford College. --

This makes "Hit No. 2" for this group of lively boys and girls. Remember their Junior play last year, "The Campbells Are Coming"? With much regret, we watch this group make their last stage show appearance in Hamlin High School. In the years to come this class will always be considered outstanding and be remembered for its remarkable accomplishments.

HAMLIN F.F.A. CHAPTER

BEAUTIFY SCHOOL GROUND

The members of the first and second year V. A. classes have been busy digging out the wild rye on the lawn. The purpose of this is to keep it from crowding out the bermuda grass.

The members of the first year class pruned the mesquite trees in front of the school to increase parking space and also make room for the city grader to cut a ditch to allow the water to drain. This will eliminate the usual mud puddles after rains.

Shop Work

Members of the second and third year classes will work in the National Defense Shop the last six weeks of school. They will get a general course in how to handle tools in both wood work and hot metal work. The members will make only articles that can be used at home; such as, knives, self-feeders, milk stools, quilt boxes, etc. The students are looking forward to the time when the shop will be moved into the new home which is being planned.

"SWING FEVER" IS A SUCCESS

The Senior Class wishes to express its appreciation to the student body, faculty, and members of this community for their cooperation and support in every project the seniors have undertaken. Especially do we wish to thank you for making "Swing Fever" the success that it was. It is a pleasure to work in a community that stands behind the school organizations. Again the seniors say thank you.

HOME ECONOMICS CLUBS ENJOY PICNICS

The members of the Future Home makers Clubs of Hamlin High School enjoyed a picnic at the park last Tuesday. Girls brought their money, planned, and prepared their meal in class and went for their outing at the noon hour. About 39 girls were present.

The menu consisted of tuna fish and pimiento cheese sandwiches, fruit salad, potato chips, olives, pickles, cup cakes, and coca cola.

FRESHMEN ENJOY PICNIC

Fifty-five freshmen enjoyed a picnic at the Brazos River Thursday evening. Everyone had a lot of fun playing in the river bed. A bountiful supply of warm hamburgers, cookies and iced punch was served.

Superintendent and Mrs. G. R. Bennett, Patricia Lee Bennett, Mrs. Glenn Caffey, and Mr. Hubert Morton were guests. The class fathers and mothers, Mr. and Mrs. James Dunlap and Mrs. M. T. York, and the sponsors, Mr. Glenn Caffey and Miss Bernice Whiteley, accompanied the group.

BAND PARTY

The Band members getting prepared for the contest have ended their practice contest. The brass section competed with the reed section. Total number of hours practiced by each section were: brass, 250 hours; and reeds, 296 hours. The brass were defeated and entertained the reeds with a party last Tuesday in the band room. Ask the Band members how they liked the game "Know You By Your Nose".

THE SNEAKER

Just ask La Nelle Adress how much she weighs.

It looked as if it were love at first sight between Billie Faye R. and G. W. Turner; but after what happened in second period study hall the other day, I WONDER.

The other girls are wishing Jo Barton would give them a chance with the cute new boy. I think his name is Newberry.

What's the trouble with Ruby and Clem? Could it be that Clem disliked the "Boy Scouts" Ruby rode around with the other Sunday?

(Continued On Page Six)

Tire Company's Local Campaign Is Opener For Spring Selling

Makes Appeal for Safe Driving With Adequate Treads for Traction

"Every spring we look forward to the opportunity afforded by the

April tire sales feature which Goodyear organizes to stimulate business for us which is also as well a contribution toward safe driving," said Bill Thomas, local Goodyear dealer who told The Herald that his company is starting their spring campaign to extend from April 16th to 26th.

Featuring the lines of the brand new G-3 All-Weather, Marathon in standard and reversible sidewall

types, and the All American, successfully introduced last year in five sizes, the 10-day campaign marks the first big tire selling promotion of the company this year, Mr. Thomas declared.

Fact that there will continue to be considerable bad driving weather yet this Spring, with heavy rains creating slippery pavements, the matter of buying new traction, is, in the opinion of Mr. Thomas a most important factor, coupled with the point that as soon as highways get hot the traffic will be heavier and then, if there are tire failures on crowded roads, the resulting potential is likely to be much greater, in toll of injury and property damage.

Because the Goodyear tire line has been improved and since there is the opportunity to trade in old tires on new, there are few car owners who, needing good rubber, will want to pass up the sale opportunity to equip their cars for Summer driving. Tires sold now are protected by lifetime guarantee, and while prices are still stable and ample supply of rubber maintains to keep them thus, now is still the best time to get properly equipped for Summer.

METHODIST CHURCH

JAMES E. HARRELL, Pastor

Sunday School, 9:45 A. M.
Morning Worship, 10:50.
Intermediates, 7:15 P. M.
Senior Young People, 7:15 P. M.
Evening service, 8 o'clock.
Woman's Society of Christian Service, Monday afternoon at 3:00

A church conference, for the purpose of electing delegates to the District Conference, will be held at the Wednesday night mid-week service at 7:30.

Choir practice Wednesday night at 8:15.

The Pastor's sermon subject Sunday morning is to be: "The Value of Enthusiasm." He is to preach Sunday night on, "The Great Invitation." Special music will be rendered at these services.

Remember, Methodists, this is "Go To Church" month and our goal is to have every member of the church in every service Sunday morning and Sunday evening during the month. Won't you help us reach this standard by being present in every service (if possible)? Surely you Methodists of Hamlin will not fail to do your best in this undertaking. We are counting on you.

Visitors, when you worship with us, you feel at home. Come and see. We Welcome You.

DOVIE NEWS

By Vada Taylor

For league Sunday evening, April 13, a special Easter program was conducted by Morris Bessire. The Scripture was read by Vada Taylor. Kenneth Green gave an Easter poem, "The Old Wounds." The song, "Christ Arose" was read by Winnifred Pryor. Concluding the program the congregation sang "The Old Rugged Cross," and "He Lives On High."

The Council of the Dovie League met Thursday evening at the home of Morris Bessire to make plans for their scrap book.

Sunday, April 13, the community surprised Mr. Edd Bessire by going home with him after church. It was Mr. Bessire's birthday. Each family took a covered dish. After a very enjoyable picnic lunch, everyone took part in an Easter egg hunt. Those attending were: Mr. and Mrs. L. B. Holden, Mr. and Mrs. W. W. Ivy, Mr. and Mrs. R. H. Cooley and family, Mr. and Mrs. J. C. Green, Mr. and Mrs. J. C. Bessire and family, Mrs. Ira Green and children, Mr. and Mrs. W. E. Taplor and family, Kenneth Green, Winston Green, Joan Green, and Donald Green. Everyone enjoyed the day.

WISE CHAPEL NEWS

By Catherine Drake

Rain! Who said it couldn't rain? Well it did. Rain Sunday morning, then Monday morning it rained a real big rain.

Mr. and Mrs. M. M. Collins and family of Ropesville visited Mr. and Mrs. T. W. Flenniken and son and Mr. and Mrs. Aaron Jobe and family.

Tom Neill left Monday for Dallas to go through the government hospital.

Mr. and Mrs. Ernest Jenkins and family spent Sunday afternoon with Mr. and Mrs. J. F. Vaughan.

Misses Mary Emmitt Greenway of Canyon and Carolyn Greenway of Ropesville spent the Easter holidays

THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

WHO IS OUR

"MOST DEADLY ENEMY?"

Considerable interest was created in Hamlin last week when readers of Liberty came upon an editorial entitled "Our Most Deadly Enemy" — a very timely editorial in the immediate affairs of our nation. However timely the editorial may be, it has nothing in it entirely new . . . yet it is copyrighted by the McFadden Publications, Inc., who give conditional permission for its reproduction. One point is that "The most deadly enemy to our democracy today is the American citizen who has lost his nerve." That very idea was suggested in the Herald last week, when we said, "In this land of free press and free speech—there is no room for cowards."

Who has lost "his nerve?" How can one tell when a fellow has lost "his nerve?" The best way he can draw a conclusion on that line is to listen to what the "fellow" says. Does he think democracy is a failure, if so why? Does he denounce communism and then encourage its propagation by his acts?

Sure there are enemies within our "gates," some innocently so but enemies just the same. The Herald has said before, there is no room for doubt; for cowardice. But wishful thinking will not count, while the enemy is undergoing practice day and night, and encouraging mental "saboteurs." Sometimes one becomes a tool in the hands of the

enemy and does not know it, but is just as hurtful as if he does things purposefully and plannedly.

No, there is no room for the defeatist, the appeaser. There is no excuse for one to lose his "nerve". Faith and alertness is the price of our democracy, just as the on-going of religion must depend on faith and teaching. Lose faith and stop teaching and soon we would fall into a Hitlerized state.

—T & T—

OPEN FORUM DISCUSSIONS

Somebody has encouraged what is called "Open Forum Discussions" over radios and even in the press. The leading subject has been "Should the Lend-Lease bill be passed, is it to be good or bad, what effect might it have on other nations, etc. etc."

Now the "subject" has changed to "Shall this nation convoy ships, our ships, or other ships taking war aid to England? What will it lead to, how will it affect other nations?" Mind you all such subjects are controversial to some extent. Some think it the very idea to have both sides discussed on the same platform or the same page.

Here is one of two things: either a thing should be done or not be done. If it is necessary to aid Britain, it is necessary to provide the means and then if the means are provided it would appear reasonable that this nation should not sit down and see them sink to the bottom of the sea. Two and two always make "four." If a group of people realize how perfectly two and two make four, and want to put on a program to expand that idea, it seems foolish to invite an opposite discussion. Let those who think this nation should sit still, hibernate, and die from the guns of the isms across the seas, have their own program and not tangle up with those who believe it is best from every decent standpoint to stand up and help in the cause of liberty, morality, and religion. Joint programs working in opposite directions do not build up. If what America is doing

Hamlin Newspaper Man Jailed (?) Last Tuesday Afternoon At Anson

That's a fact, folks. It was on Tuesday of this week.

Bowen Pope, Ye Editor of the Hamlin Herald, was escorted to the Jones County Jail, by County Judge Gilbert Smith.

It was the first time Ye Ed had ever been inside of a jail in all his life, and think of it! He was innocent, too.

Twenty-seven years ago, Ye Ed came to Jones county and once or twice or maybe more each year we have been printing reports on the County Jail, but not till this week did we ever get nearer the door than the passing street.

The jail is a big red brick building, two-stories high, standing off the northwest block from the public square in Anson. It is surrounded by a strong high wire fence, and the spacious yard is green and fairly well kept.

The jail building itself is a dismal affair, even from the outside. It was built about 1904, if we remember correctly. That was 37 years ago.

A good jail building, modern and sanitary even, is a bad place. It is where law breakers are confined, robbed of God's blessed sunlight, deprived of friendly conversation, and compelled to associate with the lowest of the low characters.

Honestly we believe every boy above the age of 15 should be conducted through the ordinary jail, and not wait until he is a man of 60 to see it.

The puzzle to us, Ye Ed, is that public sentiment has not forced Jones County to have a better place in which to keep prisoners. We must have jails. We will always have law-breakers. Generally when newspaper publishers become personally acquainted with bad state of affairs,

is designed to strengthen and save civilization, and that's what the vast majority believe, why invite a public discussion from those who want to block the machinery of preparations for defense? This is a free country and let each group have their own programs . . . hot mixups do no good for either side. Nothing pleases the devil more than to get his victims to wrangling over whether to play his game or to oppose him. We do not want to make Hitler jump with glee.

—T & T—

anywhere, they can't keep what they know a secret.

So we have to tell you "The Herald Editor Went to Jail."

The first thing somebody will say as they read this is, "Ah, bosh, that old editor is just a bit soft, sentimental, finicky." Really we do have lots of sympathy. Especially when we see a 17 year old, bright-blue-eyed boy in a place called Jones County Jail. The first thing we think of when we see a young man in such a plight is, "Boy, you look like you have enough sense to keep out of a place like this." That boy is a Hamlin boy too, he says, but unknown to us.

How did Ye Editor get in jail? Guess we should have been there long ago, and that's not all, from what we saw, about a 1000 Jones County men (and women) should have been there too, long ago.

Whose business is it to visit the jail, you ask?

There are a lot of things we "citizens" do not know. Most public officials dislike spending money, even though most taxpayers think that is all they care to do. To keep public buildings in a good and modern state of repairs, takes money, and to get money it takes higher taxes, and higher taxes scare many office holders, and hence they hesitate, and let 'er roll. "What the public does not know does not hurt" you know.

Well, we were glad we had eaten our dinner before going to jail. And we are equally glad that we have a strong stomach to keep what we had eaten, especially when "in jail."

We imagine the good old Jones county men who designed and built that jail nearly 40 years ago, thought they were up-to-snuff on everything. Brick structure, almost fire-proof, sewer system, water, gosh that was dandy.

Buildings, sewer pipe, iron, cages, dungeons . . . everything decays under the stress of time and acids. So there is your jail, a miserable hole in the side of beautiful Anson, in the center of our wonderful Jones County. Somebody must keep a jail, and such a fellow is called "The Jailer." In times past it was thought best and more economical to have some man with a family to occupy and keep the jail. That's so in Anson.

The east and north five rooms of the ground floor of the jail is occupied by a man and wife (maybe there are children, did not see any). The front room on the right is the living room, next is a bed room, kitchen and dining room, (hope we are not mixed up in the rooms). Above these rooms are the cells and run-around for prisoners.

The most repulsive thing about the living quarters is that old decaying sewer pipes project down through the ceilings from the prison cells above, and this was seen in every room except the kitchen. Sewer acids and gases have eaten out these six-inch pipes and connections till there is seen patches, and evidences of leaks, and there are odors, and leaks so bad that buckets in one room must be used. We saw nice furniture dampened by leaks. Sewer outlets and stacks come out through the outside red brick walls and drop into the ground. These too are in a bad state of repairs. We do not claim to be expert on prison architecture, but it would seem anything would be better than to have prison keepers to live beneath contaminating sewer pipes in his rooms.

Somebody will say, "Aren't you too plain?" That's what's the matter now, nobody has been plain enough to give a picture to the public to cause sentiment to develop to bring about "humane conditions" right here in our own doors. We hear folks preach about doing this and that for humanity and overlook big chances in our own back yards.

Now let's go "up-stairs." The intake is narrow, leading up a steep narrow iron stair, making it necessary to literally carry rebellious prisoners up by main arm force. Maybe it was because we had never seen cells, cross iron bars, dejected prisoners and where they stay, sleep eat and everything, that stamped such a picture on our mind. Yes, the floors are covered with iron, so are the ceilings above the head of the jailer's family. Concrete is in between. The iron carpets in the cells are in some places "eaten" by acids through the 37 years of use.

There were not more than seven or eight prisoners. One 17 year old Hamlin boy (already mentioned) one or two negroes, including one woman, a Mexican or two, and maybe one fellow of uncertain national-

ity. Yes, and there was one man about 42 years of age accused and really "committed" for insanity. Think of an insane man being kept in a black spot like the Jones Co. jail! But the bad part about that insane man is that it is possible he is "committed" by error. That is the blackest type of crime anywhere. Not many juries of 6 men, picked up at random with the aid of a stranger doctor can determine the sanity of a man or woman. We do not know, just discussing how horrible it is to even place a person, sick, mentally, in a jail, any jail.

Peep into those prison cages at Anson. Very small, very dark, and the prisoner lives, eats, sleeps right by the side of an open commode that is aged and crumbling with acid action. No place for the woman, or the tender youth, except in almost full view of the roughest, toughest criminal.

We may not have pictured this situation as bad as it is, but that was our purpose for going with the County Judge to the jail. To see, to picture, to reflect, to tell and maybe finally stimulate the County Clerk to ask the people, who spend so much for humanity "over yonder" to look after humanity right here at home.

You go to the jail and take time to see.

You will wish the "keeper" and family had a neat, clean place out from under rotting sewer lines.

You would want the prisoners kept in decency, protected from deeper vice and from spreading deadly diseases to others.

You would likely be glad to pay a few cents more for erring boys who have stumbled about your doors while you refused or failed to see them going to waste.

Yes, we did go to jail and this is our story, a true story that you will not like.

Miss Mary Emmett Greenway of Canyon Teachers College and Miss Carolyn Greenway, a teacher at Ropesville, came down for an Easter visit with their parents, Mr. and Mrs. Roscoe Greenway.

John Scarborough, a student in the Dallas aeronautical school, came up for the past week end with his parents, Mr. and Mrs. T. B. Scarborough of Neinda.

Colored School Wins Interscholastic Honors

This spring found the colored pupils and teacher very, very interested in the West Texas Colored Interscholastic League, which was held in San Angelo, Texas, April 11, 1941.

Due to the fact that all persons participating in track or field events were compelled to have track shoes, our boys were unable to take parts in such activities. So we only took parts in some of the literary events.

Vivian Dean Wells represented us in senior declaiming, and won first place. Mary Rebecca Van Zandt represented us in both piano and vocal solo work, winning first place in vocal and second place in piano work.

We had other numbers that were supposed to have been represented, but due to illness, were unable to go.

Our State Meet will be held in Prairie View, Texas, Friday, April 18, 1941, and we are making arrangements to attend it.

There were about fourteen (14) to attend the league in San Angelo, Friday, from Hamlin.

W. Oscar Scroggins, Teacher

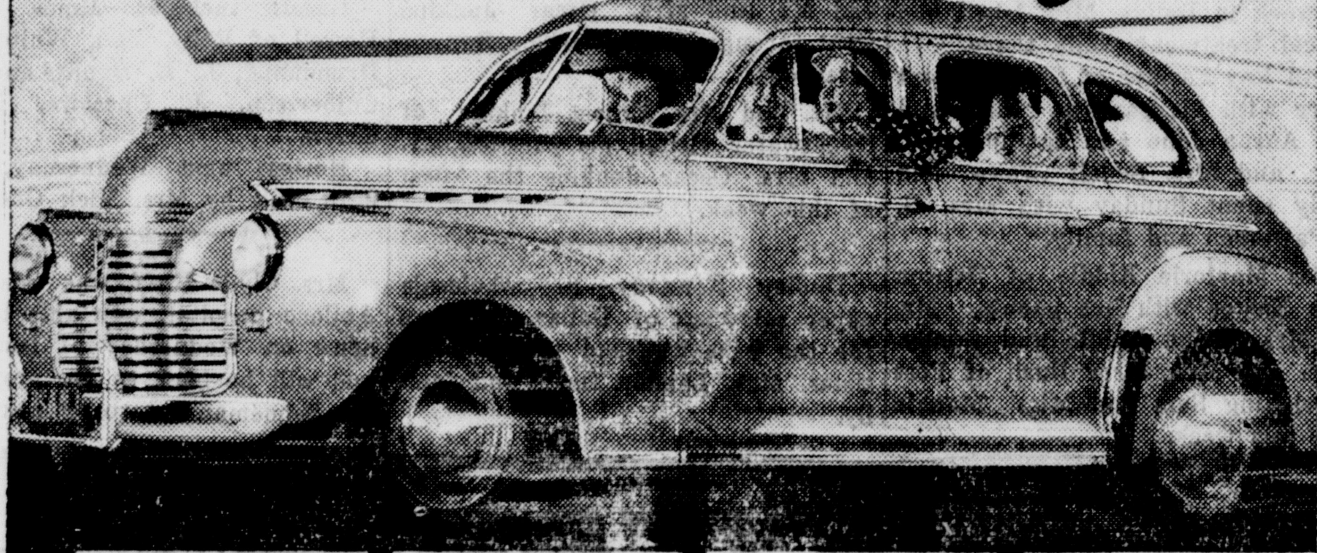

Mr. and Mrs. T. E. Shelburne and daughter, Frances of Snyder, were here Saturday and Sunday to visit their sons, Mr. and Mrs. Delma Shelburne, and Mr. and Mrs. Leslie Shelburne, and their daughter, Miss Clara Louise Shelburne.

C. D. Payne, boilermaker 2nd class on USS Northampton, a heavy cruiser, home port Honolulu, came home on Tuesday of last week to spend a 16 days' leave with his parents, Mr. and Mrs. Clynt Payne.

Dr. and Mrs. Carl Rister of Oklahoma University, came down to visit their parents, Mr. and Mrs. M. P. May and other relatives on their short Easter vacation.

Mrs. Marvin Wright and sons, Tom and Bobby, of Hollis, Okla., spent the week end here with her daughter, Mrs. Clyde Smith and family, and her sister, Mrs. W. L. Boyd and Mr. Boyd.

Woman's Literary Club

The Woman's Literary Club met Friday afternoon in the home of Mrs. Tate May for a study on International Goodwill and a tea hour. In the absence of Mrs. May who was away because of illness in her family, Mrs. Arlie Casle acted as hostess.

Purple iris and lilacs were combined for the decorations in the entertaining rooms and an Easter theme was featured in appointments. A white venetian cut-work cloth covered the tea table which was lighted with white candles in crystal holders. A low crystal bowl of purple iris formed the centerpiece. Favors were tiny Easter baskets filled with candies.

The program was given by Mrs. R. D. Moore assisted by Mrs. D. W. Stell and Miss Opal Cory. Roll call was responded to with an original rhyme by each member, telling how she had earned a dollar, which was given to the club house fund.

Those attending were Mmes. Henry Albritton, Ted Armstrong, G. R. Bennett, Arlie Casle, H. O. Casle, R. C. Clifford, E. F. Fahey, R. E. Johnson, Earl McLeomore, R. D. Moore, Bowen Pope, D. W. Stell, Tom Teague, Wallace Walton and Miss Opal Cory.

Mr. and Mrs. Turner Entertained Club

Mr. and Mrs. Grogan Turner entertained members of the Hoot Owl Club in their home Thursday evening, April 10th.

Beautiful spring flowers decorated rooms where games of bridge were played. High score was made by Mr. and Mrs. Clinton Barrow.

Following the games a salad plate with punch was served to Messrs. and Mmes. Bill Rountree, Bob Barrow, Clinton Barrow, Roy Gilbreath, L. H. McBride and the host and hostess.

Mrs. Joe Simpson Hostess to Club

Thursday afternoon of the past week Mrs. Joe Simpson entertained members of the Stitch and Chatter club in her home on Central Ave.

Spring flowers decorated rooms where the guests spent the hour sewing and chatting. An Easter theme was noted in the delicious salad plate served at the tea hour.

Those attending were Mmes. Ed-die Jay, B. B. Campbell, R. B. Wiar, Harry Gardner, Harold Bonner, R. W. Stubblefield, Roy Gilbreath and L. H. McBride.

ENVELOPES—all kinds and sizes up to 12 X 15½ inches at The Herald

Miscellaneous Shower Honors Mrs. Forrest P. Holliday, Jr.

Mrs. Ed Bailey and Mrs. S. W. Cade were co-hostesses Saturday afternoon when they entertained in the Bailey home on Lake Drive with a miscellaneous shower, complimenting Mrs. Forrest P. Holliday, Jr., of Stamford, who before her marriage on March 15, was Miss Mary Jo Price, of Hamlin.

For the occasion the entertaining rooms were decorated with lovely spring flowers and an Easter theme was emphasized in table decorations, appointments and favors.

Entertainment was furnished by Monte Knutson, of Stamford, who sang several numbers and presented a marionette show, especially clever was the song, "I Love You Truly," illustrated with marionettes dressed as bride and groom.

The honoree was presented many lovely gifts, after which an attractive refreshment plate was served.

Mr. and Mrs. Holliday are making their home in Stamford where Mr. Holliday is employed as service chief at the Stamford School of the air.

Miss Julia Pitcock Married Stamford Man

Miss Julia Pitcock, daughter of Mr. and Mrs. Joe Pitcock of Hamlin was married to Mr. Orville Monzingo, of Stamford on Saturday night, April 5, at Anson.

Mr. Monzingo is in the aviation service at Kelley Field and was at home on furlough for a short while when the marriage took place. He left for San Antonio immediately following the marriage and Mrs. Monzingo will continue her studies in the Senior Class in Hamlin High school till commencement and will join her husband about June 1st.

Garden Club Has Breakfast

The Hamlin Garden Club changed its regular routine of meeting Friday, April 11th at 9 o'clock by having a lovely breakfast at the Morgan Hotel. The menu carried out the Easter motif and the table centers for two long tables, were very artistic, one being a lovely bowl of tulips, the other a miniature cart, being pushed by an Easter rabbit; flowers and Easter eggs filled the cart. The place cards were rabbits on which a useful garden hint was written and read by the guests as a roll call.

The president, Mrs. Fred Moore, called the club to order soon after

the breakfast and asked that Mrs. Keen take charge of the program. Then, in turn, asked Mrs. J. W. Ezell to tell of the State Garden club convention held in Harlingen March 11th to 15th, and that Mrs. Ezell call on the other members who went. They included Mrs. Harden, Mrs. Wiar, Mrs. Moody, Mrs. Russell and Mrs. Keen. After each told of some particular entertainment or product of the Valley, Mrs. Keen asked that Mrs. W. A. Albritton tell something of what she saw recently on her trip to Natchez, Miss., during its annual Pilgrimage. Mrs. Albritton described well the beautiful flowers and homes. Mrs. Fred Moore was next to be asked to tell something of the "Gardens of America" in Dallas last, week when she and Mrs. Dick Moore, Mrs. Ezell and Mrs. Russell saw that International flower event. A lovely piano duo by the Mrs. Russells, completed the program.

The president announced the club will meet next time at the Harden Hotel, its regular meeting place, and that an interesting and instructive motion picture will be shown on "Rose Cultivation." Each member is urged to be present.

Members attending the breakfast were: Mmes. Bailey, Feagan, Keen, Dick Moore, Fred Moore, W. A. Albritton, W. F. Johnson, Cade, Jack Russell, Ted Russell, Arlie Casle, H. O. Casle, Jay, Q. Martin, R. H. McCurdy, Carpenter, Odum, W. L. Boyd, Dick Low, M. P. May, J. E. Moody, J. T. Bynum, Wiar, D. D. Harden and J. W. Ezell. —Reporter

The Hitson H. D. Club

The Hitson Home Demonstration club met in the home of Mrs. W. R. Townsend Monday night, April 7th, for a supper in honor of Mrs. S. E. Carnes who is the club's council delegate to go to Stephenville on April 18th. Games were enjoyed by all.

Supper was served to Mr. and Mrs. R. J. Cox and daughters; Mr. and Mrs. H. F. Haught and children; Mr. and Mrs. W. J. Vance and children; Mr. and Mrs. Morris Jean and children; Mr. and Mrs. B. B. Phillips; Mr. and Mrs. S. E. Carnes, Mrs. V. M. Jean and children and the host and hostess and their children. Visitors were Mr. and Mrs. Oscar Byrd and children and Jack Phillips.

T. I. P. GIRLS' CLUB AT McMURRY

PRESENT EASTLAND HARMONY GIRLS

Miss Wilda Drago and her Harmony Girls will be presented Tuesday evening, April 22 in the Radford Memorial Auditorium at 7:45 P. M.. Sponsored by the T. I. P. club of McMurry College. They will be accompanied by a violin octette. There are twenty-eight girls in the group and they are all students of the Eastland High school. They have performed in concerts over the state and have appeared for two years on the program of the State Federation of Women's clubs convention. This year the girls have appeared in Dallas, Weatherford, Denton and many other Texas cities.

Gloris Graham, violinist, 14 year old daughter of Mr. and Mrs. E. L. Graham of Cisco, is a member of the octette and sings with the harmony chorus. She has won first place in the Federation of Music clubs contests for the past several years and has given numerous concerts over the state.

Miss Drago, as director of the group, maintains a music studio in Eastland. She has studied with Francis McMillan, Otto Sevcik, Paul Stoeving, and Carl Venth. She was formerly head of the violin department at McMurry College. According to Gypsy Ted Sullivan Wylie,

dean of fine arts of McMurry, "It is our pleasure, both personally and professionally, to welcome Miss Drago to our campus again. And especially since she is bringing her violin and choral groups. She has a pleasing and dynamic personality—so has her music. We shall enjoy them!"

The concert is sponsored by the T. I. P. girls' social club at McMurry. This is the tenth in a series of annual presentations of Texas artists by the club. Admission charges will be forty cents for adults and twenty-eight cents for students.

Finer than skill alone can do

Telephone men and women combine training and experience to handle calls, connect wires, build or rebuild circuits.

Time and again though...whether you face an emergency or whether you just need the kind of thoughtfulness you'd expect from a neighbor...they give to their job something better and finer than skill.

Call it courage...call it devotion to your service...they give it because they understand how much you depend on them.

"The message must go through!"

CANE FOR SALE

2000 bundles of white cane for sale at 2 cents per bundle, well headed and cut late.

J. A. EDWARDS, 1 mile south of Plasterco. (18p)

Texas has a greater variety of climate and environment than any other state, and as a result, has more species of bird and animal life. The song and ornamental birds of Texas are worth \$40,000,000 annually to agriculture, because of their destruction of insects and other pests.

According to available records, fish production cost at Texas Hatcheries 13 years ago was 47 cents per fish. Production cost at the Hatcheries last year was only 9 mills per fish.

The Texas coast is 400 miles long as the crow flies, but counting islands, bays and inlets, it has a 2,000 mile shoreline—a wonderful feeding ground for fish and waterfowl.

Visit the Herald and tell us your troubles—we also want your business.

TYPEWRITER PAPER in handy 10c packages, for sale at the HERALD.

More PIPINGS -

(Continued From Page Two)

I wonder what Carl Barton thinks of "strep" throat trouble.

Will someone please tell me whom Mr. Griggs calls "Grandma" and "Grandpa" in his bookkeeping class?

Could Alvin Johnson be patronizing the freshman class? Anyway those winks Bobby Wilson gives him look pretty bad.

Mr. Brooks seems to be quite fond of "Spark Plug". Is that a horse or some kind of chewing tobacco?

Joan, how does it feel to be caught looking for another boy when the first one has already taken you home? Maybe you should have only

one date in each night.

Has Bill Harbert finally slipped? He and Helen B. really made a cute couple at the banquet.

I wonder why Dwaine Austin was smiling so sweetly and offering Helen Ackley everything he had in 5th period study hall, Tuesday.

ARMY DAY CELEBRATION

AT CAMP BOWIE

By Bobbie Tims

If you don't think Uncle Sam's boys believe in preparedness, just spend three days at Camp Bowie, the home of the 36th Division.

I had this privilege when I attended the Army Day Celebration at Camp Bowie, where Roy, my brother, is training to be a radio operator in the 131st Field Artillery Battery A.

After the first day at Camp Bowie I was left with the impression that the life of a soldier was an easy one. On Sunday, the boys go to church, to town, to the show, or to the recreation center, where there are all kinds of entertainment. Monday was quite different. Very early that morning about twenty-five men from each company or battery picked up paper and other things that were on the ground. One could look all day and not find a handful of paper, a burnt match, or other rubbish on the grounds. After the grounds were clean, the soldiers took their calisthenics which lasted about thirty minutes.

About 8 o'clock I went to the place where the 131st Field Artillery Battery A was conducting a sham battle. I found that in a sham battle the boys shoot at imaginary enemies. It took six men to load the big guns which are of the 75 mm. and 155 mm. type. Of course, only blank shells were used. I also looked through the telescope that the radio operators stationed some distance from the guns upon a hill used in sighting the enemy. When the enemy is located, a message is radioed back to the gunner concerning the angle and degree to aim their guns. I also saw the engineers erect a long platoon bridge with heavy army trucks running over it in 55 minutes. After this, I went to the Battery A 131st Field Artillery mess hall and had dinner with the captain and my brother's Battery.

After lunch we found our way to the parade grounds where I never saw so many soldiers in all my life. The 20,000 men in the parade made a sea of brown in every direction. This was the first time in 26 years that the 36th Division has had a review manned in full dress. The soldiers paraded before Gov. W. Lee O'Daniel, Gen. Burkhead, sixty legislators from Austin, Lieut. Gen. John A. Hulen and Chaplain Chataignon. Gen. Hulen, who is now retired, served in the World War. Chaplain Chataignon, having served in the French Army, came to the United States, became a citizen, joined the 36th Division, and fought in the World War. I left the parade grounds with patriotism and thrills.

That night I heard something that I shall never forget. I heard taps blown. Taps were blown in one direction and miles from there other taps were blown.

BAND WORKS UNDER

NEW PLAN

The Band is now working under a new plan. The entire group has been divided into five sections—the clarinets, the French horns, the cornets and trumpets, the baritone and trombones, and the drum section. Each section is allowed thirty more minutes of rehearsal each morning except on Fridays when all band members practice together. The purpose of this plan is to accomplish a better understanding of music by the help of the instructor.

EX-PIPER'S ACHIEVE

HONORS IN N.S.T.C.

Hazel Adkins, Charles Brown, James Nicholson, and Jean Young—four members of the Hamlin Chapter of National Honor Society, have been elected to the Gammadians, the honor society for freshmen and sophomores in North Texas State Teachers College. Only students making an average of "B" or above are eligible for membership in this organization.

Hamlin is proud of the splendid record that many of her exes are making.

The HERALD has all kinds of COPY SHEETS for sale.

Miss Johnnie Mae Brown of the Teachers College at Denton, spent the Easter holidays at home with her parents, Mr. and Mrs. John R. Brown at Neinda.

Vegetable Laxative Makes Happy Friends

Here's a laxative that usually acts thoroughly as harsher ones but is a gentle persuader for intestines when used this way: A quarter to a half-teaspoonful of spicy, aromatic BLACK-DRAUGHT on your tongue tonight; a drink of water. There's usually time for a good night's rest, with a gentle, thorough action next morning relieving constipation's headaches, biliousness, scur stomach, bad breath.

BLACK-DRAUGHT is a splendid combination of vegetable ingredients, chief of which is an "intestinal tonic-laxative" that helps impart tone to lazy bowel muscles. It's economical. 25 to 40 doses: 25c.

Miss Charlene Turner came over from Draughton's Business College in Abilene to spend Easter at home with her parents, Mr. and Mrs. John G. Turner near Neinda.

SPINNING WHEELS

THE spinning wheels of today are a whole lot different than the spinning wheels of grandmother's day. In this modern day, almost a hundred million automobile wheels are spinning along the highways at 40 to 80 miles an hour. In order that these wheels spin true and straight, it is necessary that they be in perfect balance and alignment.

Safety and driving comfort are lost when a car shimmyes, wanders, weaves or steers hard. We are equipped with the Bear Wheel, Axle and Chassis Alignment System. These tools fix the job right from start to finish. Be sure your wheels are spinning true and straight. Come in today for a FREE alignment check-up. Have your wheels Bear-a-lined.

HAMLIN, TEXAS

Mrs. G. F. Boyd returned Wednesday from Sweetwater where she had visited her daughters, Mrs. Joe Ben Lewis and children, and Mrs. Marvin Hampton and husband.

Mrs. J. P. Morgan has returned home from Lubbock after spending some time with her little granddaughter, Geraldine. Denman accompanied her home.

Texas has more landowners in the business of producing game for profit than any other state. Nearly 2,000 landowners operated licensed shooting preserves covering 6,815,509 acres during the last fiscal year. And this is only a fraction of the acreage devoted to the production of game each year.

The Herald anywhere, 1 yr. \$1.00.

Mr. and Mrs. S. H. Shook and son, Carroll of Sweetwater, came up to spend Easter with their daughter, Mrs. N. M. Armstrong and family.

Mr. and Mrs. John C. Turner spent Sunday in Camp Bowie visiting their son, J. C., Jr., in the 111th Headquarters Co. They were accompanied by Miss Bernice Gilmore.

But if you want to win on your Spring change of engine oil, go clean past those old favorites, Drain and Refill.

Out with your messy Winter oil—today—before a bearing or something's half shot. Then beat old-type oil changes by changing to an OIL-PLATED engine—the modern Spring change you get with Conoco Germ Processed oil.

This patented oil includes a rare man-made extra substance that sets up a strong "power of attraction," which OIL-PLATES a sheet of lasting lubricant direct to engine parts. Close-knit OIL-PLATING can't drain completely dry... not all night at a standstill... not all day at double-quick... never while you're using Germ Processed oil. Hence no bone-dry starting, nor fine-fitting parts rubbing dry at speed.

That's how an OIL-PLATED engine gets a real chance to keep its fine fit... and to keep going extra miles per quart. Get your correct Germ Processed oil for Spring, at Your Mileage Merchant's Conoco station. Continental Oil Company

POT SHOTS FROM McCAULLEY

BY GEO. DARDEN

Mr. and Mrs. Clinton Maberry and family of Dallas and Mr. and Mrs. Albert Maberry and daughter of Canton, Texas, were week end visitors in the homes of John Cornelius and John Frank Maberry. The following enjoyed an Easter egg hunt and picnic at Anson park Sunday: Mr. and Mrs. Clinton Maberry and children, Mr. and Mrs. Albert Maberry and daughter, Mr. and Mrs. Leon Nichols and son, Mrs. Charlie Early and two daughters, Mr. and Mrs. J. F. Maberry and daughters, Mr. and Mrs. John Cornelius and Mr. and Mrs. Lon Andress and daughter.

Mrs. Ellis Elvens will go to Steph-

enville Tuesday of this week to attend a district meeting of the home demonstration clubs. Three ladies from Fisher county will attend.

J. C. Hodnett, son of Mr. and Mrs. Clyde Hodnett of Neinda underwent a major operation at Abilene last Wednesday. J. C. was not doing so well at last report.

Mrs. Oak Burnham tells us that she enjoys the Pot Shots every week and for us to try to get more local news. That's just what we want, so folks, please let us know about the happenings around the community.

Bill Maberry of Welsh, Texas, was visiting his mother and other rela-

tives over the week end.

Mr. and Mrs. Amuel Rector of Oklahoma visited Mrs. Rector's parents, Mr. and Mrs. Hub Parker over the week end.

Weldon Hendon, son of Mr. and Mrs. Lee Hendon is recovering from a minor operation.

Mr. and Mrs. Roland Stephenson of Tucumcari, New Mexico, were visiting parents, Mrs. Harold Stephenson and Mr. and Mrs. John Miles over the week end.

Mr. and Mrs. R. L. Miers visited County Commissioner Everheart last week. Mr. Everheart is ill in an Amarillo hospital.

College students who were home over the week end were June, Jewel and Marvin Davison, Emma Sue and Ray Hennington, Walter Cyprett, Stanley Jackson, Katy Akins and Buddy Boyd.

Some thirty women of the McCaulley community met at the Baptist church last Wednesday and sewed and knitted for the Red Cross.

Mrs. Fred Maberry is ill with pneumonia in an Abilene hospital and is reported as not doing so well.

Mr. and Mrs. Jack Johnson have moved from the Elliott farm east of town to McCaulley. We are glad to have these folks as neighbors.

L. A. Long, independent oil operator was looking after oil interests in the McCaulley community last week.

Howard Miers of Lamesa was visiting his parents, Mr. and Mrs. S. E. Miers last week.

Ivan Mustain who is in the U. S. Army, and who is stationed at San Antonio, was visiting his mother and other relatives for a few days.

A number of McCaulley folks attended the senior play at Hamlin last Friday night.

Bernice Hendon who is attending a beauty school in Abilene, was home for a few days last week.

We are informed that a well is to be spudded in on the Dick Maberry farm within the next few days.

O-O-O-O

Strikes in defense industries are the most alarming situations that face our government at the present; strikes not only slow up production of war materials so badly needed, they also create hate, destruction of property and most of all un-American activities. President Roosevelt said he will give existing labor mediation machinery a full and fair trial before considering proposals for new legislation to regulate labor or controversies in the defense program. Until existing machinery has been given a fair trial the administration will not sponsor any new labor program, he said. Most citizens believe that the time has come to throw production machinery in to high gear and produce the necessary war materials that are needed by countries who are fighting not only for their very existence but for human principles, and for the right to live and let live. Down here in Texas, if we don't like our job—we quit and when we quit we don't try to keep the other fellow from working on the same job. No doubt but that Berlin and Moscow laugh up their sleeves at the strikes in defense industries in these United States.

A DARDEN-O-GRAM

BOYD CHAPEL CHIRPS

(By Mrs. Albert Haught)

Rain, rain, rain. We're really having it.

Rev. J. D. Vaughn filled his place in the pulpit Saturday night and Sunday.

Bobby Crow spent the Easter holidays at home with his parents, Mr. and Mrs. J. L. Crow.

Miss Ethel Flemming spent Saturday night and Sunday with her father, J. R. Flemming.

Mrs. Theron Bingham entertained members of her S. S. class Sunday afternoon with an Easter egg hunt.

Miss Mildred Young, of Abilene, spent the week end with her parents, Mr. and Mrs. Thompson Young.

E. E. Teaff, Burris and Ernestine Teaff visited in the home of Mr. and Mrs. Albert Haught Thursday of last week.

Mr. and Mrs. Clinton Maberry of Dallas, spent the week end with their parents, Mr. and Mrs. J. P. Cornelius.

Those who spent Sunday with Mr. and Mrs. H. C. Hodges were Mr. and Mrs. Alvis Hodges, of Merkel, Mr. and Mrs. William Rogers, of McCaulley; Mr. and Mrs. Hodges of Merkel; Mr. and Mrs. Faye Rogers, and an uncle of H. C's.

Mr. and Mrs. Cecil Richard, of Dumas, spent the week end with Mr. and Mrs. J. P. Cornelius and

other relatives.

Those who spent Sunday with Mr. and Mrs. J. E. Killen, of Rotan, were: Mr. and Mrs. M. L. Haught and family; Mr. and Mrs. Albert Haught, Mrs. Vaden Lester and family; Virginia Cozzen, and Altus Kelley, of Boyd-Chapel; Mr. and Mrs. L. F. Cozzen and Starkey and Mr. and Mrs. M. C. Wheeler and family of Tulsa.

Mrs. Jo Allen entertained members of her S. S. class with an Easter egg hunt Sunday afternoon.

Members of B. Y. P. U. enjoyed a social in the home of Mr. and Mrs. O. C. Estes Thursday night. Cookies and punch were served to those present.

Miss Filema Kelley, of Abilene, spent the week end with her parents, Mr. and Mrs. V. R. Kelley.

Several people of this community attended the Fisher County Singing Convention at Roby Sunday.

Mr. and Mrs. M. L. Haught entertained with a party in their home

last Friday night.

Mrs. Judge Crow was hostess to the Willing Workers club Tuesday afternoon when a sunshine shower was given for Billy Ruth Teal.

"Build-Up" Good News For Suffering Women

Much of women's periodic distress may be unnecessary! Many who suffer from headaches, nervousness, cramp-like pain, other symptoms of functional dysmenorrhea due to malnutrition are helped by CARDUI.

Main way it helps relieve periodic distress is by increasing appetite and flow of gastric juice. Thus it often aids digestion; helps build strength, energy, resistance to periodic disturbances.

Others find help for periodic discomfort this way: Start a few days before and take CARDUI until "the time" has passed. Women have used CARDUI more than 50 years.

The Herald has a short letter from Sgt. Durwood Locke, and a clipping, including a picture of the famous Camp Bowie Basketball team that shows three Hamlin Pipers. They are Corp. Bill Scott, Herman Treadwell and Sgt. Durwood Locke. These Pipers still fight 'em hard—they got plenty of stuff "what it takes."
